Ruth provided maps of the areas they have been working with the City of Madison and the Town of Cottage Grove on a boundary agreement. The City of Madison is looking at an agreement and would like the western boundary to be Vilas Road and the Village would like a green space between the two municipalities. The cemetery could serve as the green space, but the eastern boundary may be for difficult as they are looking for a 40-year agreement. The eastern boundary would be with the Town of Cottage Grove and we may not want to commit to that period of time and would like some feedback. The committee agrees that the western boundary is acceptable and would like to see a shorter period of time for the agreement on the eastern boundary.
